Southern NSW Harvest Association

Dear Richard

It was absolute my pleasure to launch Southern NSW Harvest Association last month. I was thrilled to have been asked, and was pleased to be able to help promote such a fabulous association with such a great potential for promoting the produce and products from southern NSW.

I want to thank you also for the lovely T-shirt you gave me, which I shall wear with pride.

I am sure that Southern NSW Harvest Association will continue to grow and prosper, and that under the Association's banner producers from southern NSW will have their goods exposed to the greater public and potential purchasers in a far greater and more efficient way than if they were acting on their own. I congratulate the Association on its success so far, and wish you all the very best for the future.

Please don't hesitate to contact me if I can be of any further assistance.

Yours sincerely

**KATRINA HODGKINSON MP**
